Weapons Of Peace

Author: Peter Anderson

Illustrator:

WEAPONS OF PEACE is set in South Africa in the period 1800-1852. Based on the lives of William and Johanna Anderson, it is a thrilling story of adventure, trial, romance, tragedy and faith. William, one of the earliest missionaries sent out by the London Missionary Society, has been described as a true friend and champion of the indigenous peoples of South Africa. And then we discover two people inhabiting those seasons with a stubborn commitment to dignity, reconciliation, and peace... a story of realism and tenderness with a resonance in our times and cultures." – Dr Paul Windsor, Director of Langham Preaching & Former Principal of Carey Baptist College, Auckland, New Zealand.
