The Barn Chronicles Set (4 books)

Author: Rosie Boom

Illustrator:

The Barn Chronicles is a work in progress – actually we are still living it! It is a series of four books that tell the story of our family's move to the country and our attempt to simplify our lifestyle as we live in a 90-year-old barn in rural Northland, New Zealand. They relate our dramas and adventures, mistakes, fun, laughter and tears. The books are written through the eyes of Milly, who was ten when we moved into the barn. She is a feisty, plucky girl who loves adventures and animals. She has gathered an evergrowing menagerie around her – chickens, Indian Runner ducks, a horse, a house cow ... life is never dull with Milly around!
